Agenda: stood as presented.

Minutes: Minutes from February 21, 2019 were posted in Slack.

Family Ministry Team: Roxi shared that the group has scheduled ACES and CPR Training open to church members. This group will head up Graduation Sunday for the four graduates. Date to be determined, most likely the last weekend in May. The group has established a network of helpers for Anna. And they continue to plan for VBS.

Budget: Monthly review of the budget dashboard took place. Giving continues to be down in comparison to 2018 and prior years.

Preparation for New Pastors: Kerry is working with the Emily church to work out the details of the managing responsibilities. The congregation currently has a Thursday night dinner and Bible study and Sunday morning worship service. Council will be reaching out to the Pastors to determine what is needed for their office space. Roxi will purchase note cards for the congregation to use to write Luke, Bethany and family notes of welcome. The council will set up meet/greet sessions for the congregation and pastors to attend. Council members will determine dates that may work and confirm with pastors. Also need to give the pastors a heads up about the Fair Booth.

Trustees-Reports and Proposals: Waiting for bids from Midwest Security and Holden Electric regarding security infrastructure. Also began discussions about replacing the flooring in the parsonage. Should reach out to pastors to see what their preference would be.

Open discussion: SPRC met with Tom. Set up his retirement account and discuss pay for work associated with funerals.

Pastor Dan closed the meeting in prayer. Meeting adjourned.

Respectfully submitted, Abbey Neptune
